The Refugee Council is one of the leading organisations in the UK working with refugees and people seeking asylum. We not only give help and support, but also work with clients to ensure their needs and concerns are voiced and addressed. Volunteers are a key part of many of the services that support our clients and work alongside paid staff across the organisation.

Our Values

Our values underpin everything we do:

- **Inclusive:** We are inclusive. We work with - not for - refugees and people seeking asylum, so they have an equal voice, co-producing projects and ensuring their expertise and experiences are at the heart of what we do.
- **Collaborative:** We are collaborative. Working with others is a priority in order to have the collective impact that is vital to achieve policy and practice reform.
- **Courageous:** We speak out when we see injustice, cruelty, and unfairness. We always stand up for what we believe is the right thing to do to transform the experiences of those seeking protection in our country.
- **Respectful:** We are respectful of all those we interact with. We treat everyone – our staff, volunteers, beneficiaries, partners, and people we disagree with – with the same respect, professionalism and understanding.

About the Resettlement Team

The UK Government has committed itself to supporting Resettlement Schemes, whereby people fleeing persecution are selected and processed in the region of origin and brought to the UK with their refugee status already determined. Under these schemes a specific quota of refugees (single or within a family unit) come to the UK for resettlement.

In York, the Resettlement Team works with people from Syria, Afghanistan, Sudan and other countries to help them adjust to life in the UK, access services and establish community links. Working closely with the Local Authority and in partnership with other voluntary sector agencies running similar services in York, the Refugee Council's Resettlement team promotes both the integration and independence of resettled refugees.

The Volunteer Role

Men's Group Volunteers support the refugees to build their confidence and to integrate into the local community and work towards self-reliance.
